

**MIDWAY SEWER DISTRICT
RESOLUTION NO. 2014-05**

WAIVER OF COMPETITIVE BIDDING REQUIREMENTS

Background: RCW 39.04.280 provides for the waiver of competitive bidding requirements under enumerated conditions including (1)(a) Purchases that are clearly and legitimately limited to a single source of supply and (1)(b) Purchases involving special facilities or market conditions.

1. The District requires a Camel Sewer and Catch Basin Combo Machine manufactured by Super Products "Equipment."
2. The District has determined that the purchase of the Equipment will be in the best interest of the District for the following reasons: The district has used Super Product Camel Trucks for several decades, our operators are trained to use the trucks, the trucks fit our operational needs better than competing equipment and offer design features that no other manufacturer can offer. All of which result in safer operations and time saving benefits.
3. District staff have determined that Western Systems is the exclusive source for the District to purchase the Equipment (Exhibit A).
4. Western Systems is therefore clearly and legitimately the sole source of supply.

Resolution: NOW THEREFORE, BE IT RESOLVED, that the Board of Commissioners of Midway Sewer District hereby waive the competitive bidding requirements and authorize the staff to purchase the Equipment at the cost of \$392,656.06.

Adoption: ADOPTED at a regular meeting of the Board of Commissioners of Midway Sewer District on June 11, 2014 the following Commissioners being present and voting:

EXHIBIT "A"

Dear Mr. Crahan,

I have been advised that you are in need of documentation regarding our authorized sales agent of the Camel Sewer and Catch Basin Combo Machine.

Super Products does not sell direct to Municipalities, or Government agencies. We use our distribution network, and Western Systems is our exclusive distributor for all of Washington State.

Additionally, Western Systems is the only authorized agent for service and parts sales.

If you require any additional documentation, or have any questions please call me at 414-719-7630, or email me at bgoss@superproductsllc.com.

Respectfully,

Bret P. Goss
